## WHAT TYPES OF COVER CAN YOU APPLY FOR?

There are two types of cover to apply for:

- **Comprehensive Cover** – this provides You with cover for loss of or damage to Your Motorcycle as the result of an Accident, the Insured Events of Malicious Acts, Storm, Flood, Fire, Theft and Transit Damage (as defined) and Third Party Liability cover. This is the broadest cover We offer. (See pages 18-19 for details.)
- **Fire and Theft Cover** – this provides You with cover for loss or damage to Your Motorcycle caused only by the Insured Events of Fire and Theft (as defined) (See pages 18-19 for details.)

## CHOOSE YOUR COVER

The cover You choose will be set out in Your Certificate of Insurance. What You are covered for in the cover You choose is set out below:

What You are covered for	Comprehensive Cover	Fire and Theft Cover
Accidental Damage	Yes	No
Fire	Yes	Yes
Malicious Acts	Yes	No
Storm and Flood	Yes	No
Theft	Yes	Yes
Transit (whilst being transported on a Trailer)	Yes	No
Third Party Liability Cover	Yes	No
Automatic Additional Cover benefits		
Salvage Costs	Yes	No
Loan Balance Assistance	Yes	No
Riding Gear Cover	Yes	No
Keys and Locks	Yes	No

Emergency Repairs	Yes	No

Please note that this is a limited summary of the available covers only and not a full description. Each cover noted is subject to terms, conditions, exclusions and limitations, so read the cover sections and the Policy to properly understand the cover provided. You are not automatically insured for every Insured Event.

You need to ensure that the cover You choose is suitable for Your needs and that the level of cover provided is adequate.

Additional Cover may also apply under Comprehensive Cover. See pages 20-21 for details.

Where We cover You for loss of or damage to Your Motorcycle We agree to cover Your Motorcycle up to a certain maximum amount. There are two options that may be available to You depending on Your circumstances:

- **Market Value** – this is where We pay You up to the amount the market would pay for Your Motorcycle immediately prior to the Incident, taking into consideration the motorcycle’s make, model, age, general condition, any accessories or enhancements and kilometres travelled immediately prior to the Incident.
- **Agreed Value** – At the end of 1 calendar year from the date You purchased Your Motorcycle, the Policy will insure Your Motorcycle for it’s Market Value.

Your Certificate of Insurance will show whether You are covered for Agreed Value or Market Value.

The maximum amount We will pay for any Motorcycle not listed with an Agreed Value on the Certificate of Insurance will be its current Market Value.

The maximum amount provided under the Market Value or Agreed Value does not include any Additional Cover benefits that are included in Your Policy. Additional Cover benefits provide additional sums insured, up to the amount specified for each particular benefit.

## SUM INSURED

Where We cover You for Loss of or Damage to Your Motorcycle We agree to cover Your Motorcycle up to a certain maximum amount. There are two options that may be available to You depending on Your circumstances:

### AGREED VALUE: MOTORCYCLES UP TO 1 YEAR OF AGE

When You have purchased a brand new Motorcycle through a professional dealership, and purchased Comprehensive cover or Fire and Theft Cover. We will agree to insure Your Motorcycle for the Purchase Price paid. However we will only insure Your Motorcycle for its Purchase Price during the 1 year period from the date of purchase. After You have owned Your Motorcycle for 1 year the Policy will insure Your Motorcycle for its Market Value.

The Purchase Price and date of purchase of Your Motorcycle must be advised to Us at the time of entering into the Policy.

---

## APPLYING FOR COVER

When You apply for this insurance, You will need to answer questions that We ask You. We will use and rely on the information supplied by You to decide the terms of cover We will provide. See page 8 for information about Your Duty To Take Reasonable Care Not to Make a Misrepresentation.

The Certificate of Insurance will contain important information relevant to Your insurance including the Period of Insurance, Your premium, details of Your Motorcycle, any Excess that will apply and whether any standard terms have been varied by way of endorsement.

Where We agree to enter into a Policy with You, Your Policy with Us is made up of:

- this PDS document;
- Your Certificate of Insurance; and
- any other document We tell You forms part of the terms and conditions of Your cover, including any endorsement or supplementary product disclosure statements (PDS) issued by Us.

Please keep these documents in a safe place together with receipts and other evidence of ownership and value of items You insure.

## DETERMINING YOUR PREMIUM

When You buy Your insurance, We will tell You the premium You must pay and note it in Your Certificate of Insurance.

The factors that impact the premium costs include:

- Your Excess. The higher the applicable Excess, the lower the premium.
- The limits that apply. The higher the limits, the higher the premium.
- The make, model and value of Your Motorcycle.
- The type of Accessories or Modifications to the Motorcycle. The more Accessories or Modifications fitted to the Motorcycle, the higher the premium.
- Your insurance history and any previous claims You have made under similar policies.

Your total cost also includes an administration fee and amounts that take into consideration Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) for Your insurance. We set these out in Your Certificate of Insurance.

A minimum premium applies for this insurance irrespective of any discount that applies. The amount of premium We charge will not be less than this amount.

## 2. SOME THINGS YOU SHOULD DO WHEN PURCHASING INSURANCE

### YOUR DUTY TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION

This is a consumer insurance contract under the Insurance Contracts Act 1984 (Cth).

Under the Insurance Contracts Act 1984 (Cth) You have a duty to take reasonable care not to make a misrepresentation to Us. This duty applies when You enter into, renew, extend or vary this contract of insurance.

Before You enter into, renew, extend or vary this contract of insurance We will ask You questions that are relevant to Our decision to insure You and on what terms. When You answer the questions You must not give a false or misleading account of matters. Your response should tell Us everything that You know about the question. Your response is relevant to whether We offer You insurance and the terms that are offered.

It is important You understand You are answering Our questions in this way for yourself and anyone else that You want to be covered by the contract.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

## **CONSEQUENCES OF FAILURE TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION**

If You do not take reasonable care not to make a misrepresentation to Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to take reasonable care not to make a misrepresentation to Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

## **CIRCUMSTANCES RELEVANT TO YOUR DUTY**

Whether or not You have taken reasonable care not to make a misrepresentation is to be determined with regard to all the relevant circumstances.

If We know, or ought to know about Your particular characteristics or circumstances, these characteristics or circumstances are taken into account in determining whether You have taken reasonable care not to make a misrepresentation to Us.

Under the Insurance Contracts Act 1984 (Cth) the following matters may be taken into account in determining whether You have taken reasonable care not to make a misrepresentation:

- (a) the type of consumer insurance contract in question, and its target market;
- (b) explanatory material or publicity produced or authorised by Us;
- (c) how clear, and how specific, the questions We asked were;
- (d) how clearly We communicated to You the importance of answering those questions and the possible consequences of failing to do so;
- (e) whether or not an agent/insurance broker was acting for You;
- (f) whether the contract was a new contract or was being renewed, extended, varied or reinstated.

You are not to be taken to have made a misrepresentation merely because You:

- (g) failed to answer a question; or
- (h) gave an obviously incomplete or irrelevant answer to a question.

---

## **ALTERATION OF RISK**

You must tell Us as soon as possible if circumstances, changes or alterations occur or are intended or made which may increase Our risk under the Policy, including (but not limited to) the risk of Loss or legal liability, and details of any:

- conversion or modification to Your Motorcycle made by someone other than the manufacturer; or
- change in the use of Your Motorcycle.

If We agree to the change, We will do so in writing and You must pay Us any additional Premium We may require.

## UNDERSTAND THIS INSURANCE

Kawasaki Insurances provides cover for the covered Insured Events (as applicable) (see pages 18-19). Comprehensive Cover also provides some Additional Cover benefits (see pages 20-21). There are limits to the cover provided and while some of these are fixed, others may be extended by simply notifying Us of the items You own and their value.

There are also exclusions and limitations which apply to certain cover as well as General Exclusions which apply to all cover under the Policy (see pages 22-24). Your Certificate of Insurance which we will give You also sets out limitations to your insurance cover as well as the insurance cover You have selected.

Certain words have defined meanings You need to understand (see pages 26-28).

You should read this PDS and all other documents that make up the Policy in full to ensure You understand the cover provided as well as the limits, any Excess and exclusions that apply. See pages 35-36 for claim payment examples.

This PDS and the information We send You about Your cover is designed to be simple and straightforward to make it easy for You to understand what is included in Your cover and what isn't. So that You understand exactly what this Insurance covers and does not cover, make sure You read this Product Disclosure Statement ("PDS") and the policy wording ("Policy") which is found at Section 7 of this document.

## 3. THINGS YOU MUST DO AFTER PURCHASING INSURANCE

### CHECK YOUR POLICY DETAILS

Check Your Policy and read and check Your Certificate of Insurance carefully. If any information is incorrect or incomplete, please make all necessary changes promptly by calling Us on 1300 160 294. We rely on You to do this.

---

### MAINTAIN THE MOTORCYCLE

Throughout the duration of Your Policy, You must maintain Your Off Road Motorcycle in a safe operating condition.

The Motorcycle may no longer be in a safe operating condition immediately after an Incident. It is important that You do not Ride it after an Incident if it is no longer safe to Ride.

You must also make reasonable efforts to protect Your Motorcycle from any loss or damage. If You make a claim and knew about something that could cause loss or damage to Your Motorcycle and You did not make reasonable efforts to avoid it before the loss or damage occurred, then Your claim may not be paid. If You do suffer loss or damage to Your Motorcycle You must also make reasonable efforts to prevent any further loss or damage.

## CHANGES TO YOUR POLICY

You must promptly tell Us about any changes to the information You gave Us when You took out or last changed Your Policy, including but not limited to:

- changes to the Motorcycle;
- the address where the Motorcycle is kept;
- the use of Your Motorcycle;
- regular Riders who will Ride Your Motorcycle or the people covered by Your Policy; and
- anything else that may affect Your Policy or Our decision to accept the risk.

You must tell Us as soon as possible of any:

- Modifications that are made to Your Motorcycle;
- Accessories that are added to Your Motorcycle; and
- driving or criminal offences that have been committed by anyone who regularly Rides Your Motorcycle. You do not need to tell Us about parking offences that a regular Rider may receive.

---

## ENSURE YOUR PREMIUMS ARE ALWAYS PAID

You are responsible for ensuring that Your premiums are paid or Your cover could be put at risk. Please call Us if You are ever unsure about Your premiums.

---

## MEETING YOUR OTHER OBLIGATIONS

You will need to meet other conditions of the Policy, such as claims conditions or We may reduce or refuse to pay a claim and/or cancel the Policy to the extent permitted by law.

## 4. INSURING YOUR MOTORCYCLE

### WHAT IS YOUR MOTORCYCLE?

For the purpose of the Policy Your Motorcycle means the Motorcycle shown on Your Certificate of Insurance, including all fitted Accessories and Modifications.

---

### WHAT IS AN EXCESS?

Excess means the first amount or amounts You must bear when a claim is accepted under the Policy as shown on Your Certificate of Insurance or noted within the Policy. More than one Excess can apply. Any Excess applicable to Your cover will be shown on Your Certificate of Insurance. There is a Basic Excess which applies to all claims under the Policy, The factors that We take into account in assessing Your Basic Excess are the same as those that We consider when We assess Your premium (see page 6).

#### BASIC EXCESS

The Basic Excess is the standard Excess applicable to all Riders claims and is specified in the Certificate of Insurance. The factors that We take into account in assessing Your Basic Excess are the same as those We consider when We assess Your premium.

#### THEFT EXCESS

Excess means the first amount or amounts You must bear when a claim is accepted.

The Theft Excess is an amount You must pay in the event of Your Motorcycle being stolen.

If a Theft Excess applies, the amount will be shown on the Certificate of Insurance.

The Theft Excess must be paid in addition to the Basic Excess that applies in the event of the Motorcycle being stolen.

---

## GOODS AND SERVICES TAX (GST)

### INFORMATION YOU MUST GIVE TO US

If You are registered, or required to be registered, for Goods and Services Tax ("GST") purposes You must provide Us in writing with Your Australian Business Number ("ABN") when requested. You must also advise Us in writing what Your Input Tax Credit ("ITC") entitlement is for the insurance premium either:

1. on or before entry into, renewal or variation of this Policy; or
2. if permitted under the GST Law, at any other time at or before You first notify as soon as is practicable Us of a claim under this Policy.

3. If You have told Us Your ITC entitlement under (1) above and Your ITC entitlement later alters, You must tell Us as soon as is practicable in writing about that alteration.
4. If You are registered and You cease to be registered for GST purposes You must tell Us immediately in as soon as is practicable in writing.

Any claim payments made under this insurance will be based on GST inclusive costs, up to the relevant Sum Insured, Market Value or Agreed Value or maximum amount that We pay as these amounts specified are GST inclusive amounts. However, if You are or would be entitled to claim any input tax credit for the repair or replacement of the insured property or for other things covered, We will reduce any payment for a claim under the Policy by the amount of such input tax credit. You must advise Us of Your correct input tax credit percentage where You are registered for GST. You are liable to Us for any GST liability We incur arising from Your any incorrect advice concerning or omission to tell Us about, your GST registration or entitlement to input tax credits.

---

## **GST AND CLAIMS**

Any claim payments made under this insurance will be based on GST inclusive costs, up to the relevant Sum Insured, Market Value or Agreed Value or maximum amount that We pay.

However, if You are or would be entitled to claim any input tax credit for the repair or replacement of the insured property or for other things covered, We will reduce any claim under the Policy by the amount of such input tax credit. You must advise Us of Your correct input tax credit percentage where You are registered for GST. You are liable to Us for any GST liability We incur arising from Your incorrect advice or inaction.

---

## **OTHER PARTY'S INTEREST**

We only cover Your interest in the insured property, unless We specifically include cover for the interest of another party.

You must tell Us of the interests of all parties (e.g. credit providers or other owners) who You want their interests to be covered by the Policy. We will cover their interests only if You have told Us about them and We have noted them as an Interested Party on Your Certificate of Insurance.

---

## **IF YOU HAVE BORROWED MONEY TO BUY YOUR MOTORCYCLE**

If an Interested Party is noted on Your Certificate of Insurance as having an interest in Your Motorcycle and You have a claim and We agree to settle on a cash basis, We have the option of making this payment to the Interested Party in full or part settlement of Your claim.

In this situation We will pay the Interested Party the amount We agree to settle the claim, up to the amount outstanding under Your loan account or finance contract, whose receipt will discharge Us completely in relation to the loss or damage.

If You have selected Comprehensive Cover and Your Motorcycle is a Total Loss and You have a remaining balance on Your Loan, a Loan Balance Assistance benefit of up to \$1,500 may also be available.

## REINSTATEMENT OF SUM INSURED FOR CERTAIN CLAIMS

When We pay a claim for Your Motorcycle that is not a Total Loss, or repair an item, the relevant Sum Insured for Your Motorcycle or item will be automatically reinstated to the same amount shown in the Certificate of Insurance unless We tell You otherwise in writing.

---

## IF YOUR MOTORCYCLE IS A TOTAL LOSS

If We pay You a Total Loss Payout under the Policy, Your Motorcycle (or what's left of it) including any Accessory or Modification will become Our property and We will keep the proceeds of any salvage sold.

If We agree to pay Your claim for a Total Loss, We'll pay You the Market Value, unless an Agreed Value is noted on Your Certificate of Insurance, minus any Excess that may apply. There are also Additional Cover benefits that may apply.

If We pay You a Total Loss Payout, the Policy will cease and no refund of premium will be available.

This is because all of Our obligations under this Policy will have been met.

## 5. MAKING A CLAIM

### WHAT HAPPENS IF YOU NEED TO MAKE A CLAIM?

#### PROVIDE PROOF OF OWNERSHIP

In the event of a claim, You must provide proof of value, proof of purchase, and/or ownership of any insured property for which You claim.

#### NOTIFY US OF ALL INCIDENTS WITHIN THIRTY (30) CALENDAR DAYS

You must notify Us of any Incidents involving the insured property within thirty (30) calendar days of becoming aware of the Incident/s. The details that must be provided, where reasonably possible, include: the location, date and time of the Incident; the particulars (name, address, phone number, license number, insurance company) of any Third Party that was involved in the Incident; and a description of the circumstances surrounding the Incident. This requirement applies whether You intend to claim or not. Failure to do so may prejudice You in lodging a claim or may prejudice Us in defending a claim against You from a Third Party.

If an event occurs that is likely to result in a claim, the following checklist will help You ensure that You have done everything You need to do, so that Your claim can be assessed quickly. Not all items may be applicable to Your claim.

### **FIRST YOU SHOULD:**

- report the event to the police or other authority;
- notify the police if the event involves theft, attempted theft, malicious damage or impact;
- do what You can to prevent any further loss, damage, cost or liability;
- call Us on 1300 160 659 or
- email: [claims@kawasakiinsurances.com.au](mailto:claims@kawasakiinsurances.com.au)

### **YOU MUST NEVER, WITHOUT OUR CONSENT:**

- admit guilt, fault or liability (except where required by law);
- offer or negotiate to pay a claim;
- approve any repairs or arrange replacements (other than emergency repairs necessary to minimise or prevent further loss or damage);
- dispose of any damaged property.

### **WE MAY ALSO REQUIRE YOU TO:**

- provide Us with the proof that We require regarding lost or damaged items;
- help Us manage the claim, which may include Us inspecting Your Motorcycle or asking You questions, or You providing written statements to Us under oath;
- keep items that have been damaged and allow Us to inspect them or assess repair costs;
- allow Us to take possession of damaged property that is the subject of a claim;
- send Us any communication You receive relating to the claim (including telling Us of pending court proceedings or offers of settlement within 24 hours);
- help Us as We work to negotiate, defend or settle any claim made under the Policy and to exercise for Our benefit Your legal right of recovery against any other party;
- tell Us about any other insurance that may be relevant to the claim.

---

## **COSTS OF DISMANTLING, DIAGNOSIS AND REASSEMBLY**

If You make a claim for loss or damage to Your Motorcycle, We may require You to dismantle it or authorise Us to dismantle it, so We can assess Your claim and/or decide if it is valid. We may refuse to assess or pay Your claim if You do not agree to this.

If We determine that the claimed loss or damage is not covered, You will be responsible for the costs of the above dismantling as well as any costs associated with it (including but not limited to any diagnosis, reassembly, repair, and/or replacement costs).

If We determine that the claimed loss or damage is covered, We will settle Your claim in accordance with the terms and conditions of the Policy (including the operation of any Excess).

However, We will never pay more than the relevant limit specified in this document or on Your Certificate of Insurance.

If We pay You the reasonable cost of repairing or replacing Your insured properties Our payment will be based on the cost required to repair or replace it as near as possible to its appearance and condition immediately prior to the claimed loss or damage (refer to pages 35-36 for Claim Payment Examples).

## HOW DO WE SETTLE A COVERED CLAIM?

If Your Motorcycle or another item is covered under the Policy We will:

- repair or replace Your Motorcycle or relevant item;
- pay You the reasonable cost of repairing or replacing Your Motorcycle or relevant item; or
- pay You up to the Agreed Value or Market Value (whichever is specified as applicable) of Your Motorcycle.

However, We will never pay more than the relevant Sum Insured and/or applicable limit specified in this document or on Your Certificate of Insurance less any applicable Excess.

You must pay Your Excess to Us, or to any repairer We engage to repair Your Motorcycle. If We pay You the Agreed or Market Value We will deduct Your Excess from the amount We pay.

If We accept Your claim and Your Motorcycle is less than 5 years old from date of first registration We will pay for repairs and replace damaged parts on a new for old basis up to the Agreed Value or Market Value, whichever is applicable. Where possible We will use the manufacturer genuine parts.

If We pay You the reasonable cost of repairing or replacing the damage to Your Motorcycle, this payment will be based on the cost to repair or replace as near as possible to its appearance and condition immediately prior to the claimed loss or damage.

---

## REPAIR INDUSTRY CODE OF CONDUCT

This Insurer complies with the Motor Vehicle Insurance and Repair Industry Code of Conduct.

You can choose a repairer, or We can recommend one for You. If We do not accept Your choice of repairer, You must still cooperate with Us to select another repairer that We both agree on.

When Your Motorcycle is repaired, the repairer may use re-usable parts or parts that are not manufactured by a supplier to the Motorcycle's original manufacturer which:

- are consistent with the age and condition of the Motorcycle;
- do not affect the safety or the structural integrity of the Motorcycle;
- comply with the Motorcycle manufacturer's specifications and applicable Australian Design Rules;
- do not adversely affect the post-repair appearance of the Motorcycle; and
- do not void or affect the warranty provided by the Motorcycle manufacturer.

In repairing Your Motorcycle, We may arrange for a part of the repair to be carried out by a specialist service provider, for example windscreen repairs. We guarantee workmanship of the repairs authorised by Us.

This guarantee is for the life of the Motorcycle and is in addition to Your statutory rights against the repairer and warranties that You have from the repairer directly. Wear and tear is not covered by this guarantee.

We will arrange for repairs authorised by Us to be rectified at no cost to You, if We agree that the repairs are defective. Before We can arrange for any defective repairs to be rectified, You must give Us the opportunity to inspect the Motorcycle.

## CLAIM RECOVERY

We reserve the right to take action to recover any money paid by Us as a result of a claim. When We do this, We may need to take such action in Your name. You must cooperate with Us and give Us any information We may require. We will pay for any legal costs.

---

## AGREEMENTS AFFECTING RIGHTS OF SUBROGATION

We will not pay a claim if, without prior agreement from Us, You make any agreement that will prevent Us from recovering the loss from a third party.

---

## WHEN WE MAY REFUSE A CLAIM

We may refuse or reduce the amount We pay in relation to a claim (to the extent permitted by law) if amongst other things:

### WHEN MAKING A CLAIM, YOU:

## 12. OTHER IMPORTANT INFORMATION

---

### UPDATING THIS PDS

We may need to update this PDS from time to time if certain changes occur where required and permitted by law.

We will issue You with a new PDS or Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, We may issue You with notice of this information in other forms or keep an internal record of such changes (You can get a paper copy free of charge by calling Us).

---

### DISTRIBUTION OF THIS INSURANCE

Pursuant to the ASIC Corporations (Basic Deposit and General Insurance Product Distribution) Instrument 2015/682, certain persons including selected Kawasaki motorcycle dealers, finance brokers and occasionally other persons have been authorised by Us as general insurance distributors to deal in this insurance on Our behalf.

These persons are not authorised to provide any advice on this insurance and have no binding authority to enter into any Policy or settle any claim or otherwise act on behalf of the insurer. If You have any questions, please contact NM Insurance.

Any person who provides financial services to You as Our general insurance distributor will tell You that they are acting in that capacity and ensure you are provided with NM Insurance's Financial Services Guide which contains information about how they are remunerated, and details of NM Insurance's complaints process and how it can be accessed.

---

### DISTRIBUTORS' REMUNERATION

Distributors receive a commission whenever You enter into a Policy arranged by them (including renewals and some variations which increase the premium payable). Kawasaki also receives a commission in these circumstances. The commission excludes GST and is a percentage of insurer's base premium (i.e. premium excluding the amounts included by the insurer in relation to applicable stamp duty, fire service levy, GST or any other government charges, taxes, fees or levies). The commission is included as part of Your premium. The NM Insurance Financial Services Guide contains more information about how distributors are paid and other benefits they may receive.

## HOW NM INSURANCE IS REMUNERATED FOR THE SERVICES PROVIDED

NM Insurance also receives a commission whenever You enter into a Policy (including renewals and some variations which increase the premium payable).

The insurer may also advance it other money in the period to cover marketing and other costs and expenses which is agreed on a case by case basis.

For services in administering this insurance NM Insurance may be paid a profit share amount in relation to Kawasaki Insurance policies entered into in each annual period. The amount NM Insurance can receive is a percentage of the net profit amount (if any) which is determined by the insurer and is based on the total premium excluding certain costs, expenses, fees and liabilities in relation to the policies (e.g. taxes and charges on the Policy, reinsurance costs, claims payments, commission paid and administrative costs) over a 12 month period.

If there is no net profit in the annual period, NM Insurance receives no profit share. Any profit share amount is paid 3 months after the annual period ends.

NM Insurance will also charge You a fee, which varies depending on the dealing service it provides You with. The fee is paid in addition to the premium and is specified in the Certificate of Insurance.

NM Insurance's staff receive an annual salary that may include bonuses based on performance criteria (which can include sales performance) and the achievement of company goals.

---

## REMUNERATION PAYABLE TO REFERRERS

NM Insurance will pay commission to certain people and organisations if they refer You to NM Insurance and You subsequently buy (and in some cases renew or vary) this insurance.

The commission excludes GST and is a percentage of base premium (i.e. premium excluding any amounts relating to stamp duty, fire service levy, GST or any other government charges, taxes, fees or levies). The commission is included as part of Your premium.

## **FURTHER INFORMATION ABOUT REMUNERATION**

The NM Insurance Financial Services Guide contains more information about the remuneration (including commission) or other benefits NM Insurance, its distributors or referrers receive. If you'd like additional information please ask for it within a reasonable period after You receive this document and before this insurance is issued to You.

## **THE FINANCIAL CLAIMS SCHEME**

Zurich is an insurance company authorised under the Insurance Act 1973 (Cth) to carry on general insurance business in Australia. As such, Zurich is subject to prudential requirements and standards, regulated by the Australian Prudential Regulation Authority (APRA).

This policy may be a protected policy under the Federal Government's Financial Claims Scheme, (FCS) which is administered by APRA.

The FCS may apply in the event that a general insurance company becomes insolvent. If the FCS applies, a person who is entitled to make a claim under this insurance policy may be entitled to a payment under the FCS. Access to the FCS is subject to eligibility criteria.

Further information about the FCS can be obtained at <http://www.fcs.gov.au>

## 13. CLAIM PAYMENT EXAMPLES

The following examples are designed to illustrate how a claim payment is calculated. These are only examples. We determine claim payments on an individual basis, based on the terms and conditions of the Policy. The examples do not cover all claims scenarios or all benefits. The example assumes that the policy holder is not registered for GST. You should read this PDS and Your Certificate of Insurance for full details of what We cover as well as what policy limits and exclusions apply.

### EXAMPLE 1: COMPREHENSIVE COVER

You have Comprehensive Cover for Your Off Road Motorcycle. Your Off Road Motorcycle was purchased new 8 months ago.

The Basic Excess shown on Your Certificate of Insurance is \$450. When You took out Your cover, We agreed to cover You for the Purchase Price of Your Motorcycle, being \$15,000.

You have a crash with another vehicle while riding Your Off Road Motorcycle. Your Off Road Motorcycle is towed from the scene of the Accident to a repairer. The towing cost is \$300. We decide Your Off Road Motorcycle is a Total Loss.

Also, when We assess the incident, We find that the other driver was completely at fault.

#### HOW MUCH WE PAY

You do not need to pay Us Your Basic Excess.

We decide to replace Your Off Road Motorcycle with a new Off Road Motorcycle of the same make, model or series (rather than paying You the replacement value).

We also pay the towing company \$300.

### EXAMPLE 2: COMPREHENSIVE COVER
